Product Information:

Regular vs. Sweet Flavors

The difference between Regular and Sweet Flavors: Regular Flavors have no extra sweetener added. Flavors labeled 1-100 have extra sweetness added per pound that equals 100 pounds of sugar.

2K = The strongest level of flavor available in that product.

Recommended Usage Rate:

Mixing with Minerals or Mold Inhibitors We recommend using twice the recommended usage rate.

Shipping, Packaging Prices and Surcharges:

- **Dry:**
 - Standard 50# Box \$0.00,
 - 10# Box or 20# Box = \$10.00
- **Liquid:**

THREE WAYS TO SCORE A BUCK

HOW IT WORKS

3

Disperse a 1# bag of our deer attractant at a site of choice (go with 1-100 for super sweetness) and the buck stops here.

2

A 1# bag of our deer attractant can be mixed with 1000 pounds of grain to make a flavored high energy feed (go with 1-100 for super sweetness).

1

Mix a (2) 1# bags of our deer attractant with 1000 pounds of mineral to make a flavored nutritional supplement for antler growth (go with 1-100 for super sweetness)
